We had a great meeting last month with over 40 members. We have some fun things coming up next month. The Spring hunt is the 12th of June at Samuell farm at 10:00am. (for current members) It's only \$25.00 and the club will put in another \$25.00. Then we will have the 4th of July BBQ with Golden Triangle at our place on June 25th at 7:00pm. There will be no find of the month but Robert Jordan has promised some great prizes at a dollar a chance. A side dish or a dessert and your family is all you need to bring. Don't forget about the WWATS hunt in Antlers on May 29th-30th. Keith always puts on a great hunt. The hunting for WWATS will be over the entire camping area. I heard some of our folks went down to the TCTC satellite hunt in Brownwood TX and won some gold and a Ace 250. It's a little early to talk about the open hunt in October but we have set a date for October 16th. I am sure our treasurer won't mind taking the entry fee now. Lastly Keith Wills will be having a hunt with the kids down in Kerrville on June 9th-10th. He still needs foreign coins and helpers. See contact info for Keith below.

The 3,000 Club

What do Hank Aaron, Walter Johnson and Andy Mesaros have in common?

All of them have a 3,000 record. Hank had 3000+ hits, Walter pitched 3,000+ strikeouts and 'Bad' Andy found a record 3,000 silver coins. The 3,000th was a 1962-D Washington Quarter. Below is a detailed listing of all the silver coins he found.

1 SEATED HALF DIME (1850-O)
1 SEATED DIME (1877-CC)
74 BARBER DIMES
1,223 MERCURY DIMES
1,065 ROSIES
1 SEATED QUARTER (1875-S)
27 BARBER QUARTERS
70 STANDING LIBERTY QUARTERS
485 WASHINGTON QUARTERS
1 BARBER HALF (1902-O)
33 WALKING LIBERTY HALVES
14 FRANKLIN HALVES
1 KENNEDY HALF (1964)
4 MORGAN DOLLARS (1897-O) (1899-O)
(1901-O) (1921).

Andy did say something about only hunting gold from now on! (We can only hope)

[Annual Handicap
Children Treasure Hunt in
Kerrville, Texas](#)

For some 13 to 14 years now we have annually help the many handicap children learn the pastime of metal detecting for treasure. Even with their problems, we can show them how they can still have an outdoor hobby they can do and enjoy. This year's dates are: **June 9th & 10th, 2010**, Wednesday and Thursday starting at 8:00 AM. On the 8th a number of us will arrive to install new batteries and set up table and etc. to get ready for the 200 kids we'll work with for the next two days.

Before I go any further, let me say this: **"Everyone is Invited to Come and Help Us"** If you can only help one day that is great too. The Lions Camp for Handicap Children in Kerrville, TX. really enjoys us donating our time and knowledge to these kids and one look at the faces of these kids and you know they are extremely happy to see us as well. Not only will the kids learn how to enjoy metal detecting for treasures, but they will discover that there is a outdoor hobby the can enjoy even if they are in a wheelchair, deaf or blind. These children are our future and them learning the hobby could someday change it for us all.

Lastly, we need helpers/workers and we **"need Foreign Coins"** to hide for the kids. This has become an activity for all campers that visit the camp each year, thus the very reason why we also teach all the counselors as we are teaching the kids, so they can continue the activity with the foreign coins we leave with them and the dozen detectors that was donated to the camp. Each child will go home with a handful of foreign coins they found with the use of a metal detector. Please help this activity for these kids stay alive by donating your foreign coins, or you can buy them by the pound at coins shops fairly cheap.

If you need any more information or wish to donate foreign coins, please contact me.

Thanks so much, Keith Wills
