Message from the Prez.....Ellen Jackson

We had a perfect day for our Spring Hunt May 10 at Samuell Farm in Mesquite. The targets were plentiful and the prizes for the drawings were superb. I believe this hunt lived up to everyone's expectations and included a few surprises as well.

If you like competition hunting, you should check the TAMDC (Texas Association of Metal Detecting Clubs) website regularly for upcoming hunts in the area: <http://www.tamdc.org/>. Several of our club members will be heading north to the Indian Territory Hunt May 24 & 25 in Oklahoma.

Our May meeting will be a regular business meeting. Bring your best finds for the Find Boards, and show us what interesting things you have found in the past two months. The meeting will be chaired by our Vice President Dave Totzke; I will be out of town a few weeks on an archaeological dig.

Looking ahead, our next special club event will be the 4th of July dinner held on the June 27 Friday meeting date. We'll need to plan the details of this potluck dinner at the upcoming meeting.

Happy hunting, make friends, and let everyone see the good side of metal detecting.

Ellen

Our Guest Speaker for the May Meeting Is

Jim Gatewood

Jim Gatewood, best selling author and Dallas history Laureate's; who teaches a Dallas history Class at Richland College, latest book, "*BENNY BINION THE DALLAS VIGILANTES AND TEXAS HOLDEM POKER.*"

Benny Binion was a soldier of fortune at the turn of the century in Texas. His fearless determination to control his fate, first boot-legging then gambling, left an indelible imprint on Dallas history and the world of gambling. He was capable of activating his charm or his ferocious rage as implements of choice, just as he could use either a pencil or the sawed- off shotgun in the trunk of his car as a lethal weapon to destroy an adversary. His legend takes place in a time splattered with conspiracy, treachery, and blood.

Behind those cold blue eyes was Benny's ingenious mind capable of adapting to any environment. Fate would one day dictate that he would run the Dallas Mafia hierarchy and drug their dealers out of his town.
