### **Message from the Prez**

Huntmaster Robert Jordan and his crew put on a great 40th Annual Hunt Saturday, October 18! 59 hunters joined the fun along with a good number of family and friends cheering from the sidelines. Silver, gold and detector prizes were in abundance and everyone went home with at least one prize.

This wouldn't have been possible without our faithful sponsors. A big thank you to all who contributed. Our sponsors included Garrett Metal Detectors, Fisher Labs, White's Metal Detectors, Minelab Metal Detectors, East Texas Metal Detectors, Kellyco Metal Detectors, and American Detector Distributors. Prizes included 10 detectors, a \$100 certificate for East Texas Metal Detector purchases, 3 pinpointers, and many other items. This year Lost Treasure magazine and Western & Eastern Treasures magazine also gave 1-year subscription prizes.

Special thanks to our own members who worked hard to make the day special: to Bad Andy for his interesting and always unusual Fundraiser Hunt, to Ray Walther for the fine barbecue lunch and his auctioneering skills, and to the team who set up the fields, buried the coins, ran the ticket sales and cake auction, and provided the nametags. Thanks also to those who contributed cakes (Sherry Skinner baked 4!) and those who donated prizes.

Check out the pictures in this newsletter.

Happy hunting, fill your holes, and leave nothing behind but good impressions.

Ellen

## Speaker of the Month

Rose-Mary Rumbley is returning as our special speaker in October. Rose-Mary will be speaking on “Superstitions”, an appropriate subject for our Halloween meeting.

**BIO** - Rose-Mary Rumbley is a rock star among Dallas' speakers. Her lively speeches and informative neighborhood history tours are sellouts months in advance. Her breadth of knowledge about all things Dallas is spectacular. Historian, humorist, author and actress, Rumbley, who appeared in the movie Paper Moon, is this area's most in-demand public speaker. Making more than 300 appearances a year at church groups, community colleges, book review clubs, senior centers and business luncheons, Rumbley can make any subject fascinating. She speaks with authority on dozens of topics: Dallas parks, the history of Oak Cliff, old-time radio, vaudeville, Broadway shows, Sam Houston, Texas' small-town food festivals and many others. She's written a book, Century of Class, about the history of public education in Dallas, and wrote The Unauthorized History of Dallas for the city's 150th birthday in 1991. Always on the move, Rumbley has completed a trip along Route 66, gathering material for another book. Forget retirement. Dr. Rumbley's always ready to rumble.
