### Message from the Prez

Winter came swiftly the end of last month and we lost our February meeting to an ice storm. March is living up to the old adage...coming in like a lion and going out like a lamb. The mild temperatures and softer soil are a hunter's delight. I'm sure some of you did well checking out the sledding slopes.

This Silver Signal includes announcements about our 12<sup>th</sup> Spring Hunt and the TAMDC Show in Longview. The Spring Hunt is \$30 and you should pay this month if possible. Also remember the hunt is for members who are paid up on their dues. Robert Jordan will be happy to take your entry fees, and any late dues, at the upcoming meeting.

**There will be no meeting in April! Instead we will have two meetings in May.** It's important to get this word out. April is the month our Irving center is closed for renovation the entire month. Last year we held a special meeting at the Garrett Headquarters in Garland in celebration of Garrett's 50<sup>th</sup> year. This year we decided simply to move the April meeting one week later to May 1. May has five Fridays this year, so our two meetings will be four full weeks apart, May 1 and May 29. We hope that by keeping the meeting at our regular location there will be less confusion than trying to find an alternate location.

I had an email with greetings from member Kerry Schaller who recently moved to Michigan. He has joined a club up there and invited us to view their newsletters at [www.swmss.org](http://www.swmss.org). Check out the kinds of finds they display up there. I asked whether they hunted in the freezing weather and deep snow and he said they have some members who break up the ice in creeks and go into the water. Now that's commitment.

I still have the two tokens that were left on the FOM Boards at the January meeting. See me if they are yours.

Happy hunting, fill your holes, and leave nothing behind but good impressions.

Ellen
