## **PREZ SAYS**

Greetings and salutations to the LSTHC members.

The weather is getting warmer, so please try to stay hydrated when you hunt. Rusty Curry will be our speaker this month, and will deliver a message on new products by Garrett, and whatever else he has on his mind. There are also a lot of events to think about like the TAMDC show in April, and the spring hunt in May. I have learned that several of our members have done quite well at some of the spring hunts already, so maybe their fortune will be yours. Remember to fill your holes, and carry away the trash. Good Hunting.

Bill

### Subject: Lion's Camp for Handicap Children in Kerrville, Texas -- 2016 Metal Detecting Event

From Larry Vickers: "The days for the Camp outing this year are June 15 and 16, 2016. We check in at 8:00 am on Wednesday the 15<sup>th</sup> and leave on Thursday the 16<sup>th</sup> at 2:00 pm. The setup there should be the same as the last time."

From Keith Wills: "Please consider coming and helping us work with these wonderful children, dates below. Any donations of foreign coins would be much appreciated and we'll try listing all that do on the WWATS website at [www.wwats.org](http://www.wwats.org). Many thanks for all the years of support, help and donations; especially the TAMDC (Texas Association of Metal Detecting Clubs) for all their long time attendance and support."

### News about members

From Ellen Jackson: "My volunteer metal detecting services have been recognized for their contribution to archaeology in the article "The Coins of Maqatir" in the Fall 2015 edition of *Bible and Spade*. The article includes my picture (in full Lone Star and Garrett gear!) and charts of some of the hundreds of coins I found at the Khirbet el Maqatir archaeological site near Jerusalem. The coins date from 350 BC to 400 AD, and represent many different Greek, Jewish and Roman rulers." (See the article posted on the Event board at the next meeting.)
