### PREZ SAYS

Hello my people, we had a great time at the TAMDC satellite hunt. Lots of silver and prizes awarded. Our Christmas Dinner is Friday Dec. 2nd, so come and enjoy the great food and fellowship. Please bring a favorite dish to share with everyone. The turkey and ham will be supplied by the club. The next regular meeting is on January 27, 2017, so everyone have a Merry Christmas and a Happy New Year.

Bill

**Club Elections** – All of our current executive officers agreed to stand for a second year and as no other nominations were made from the membership, we unanimously voted Bill, Herman, Janet and Rechey in for 2017! Great job and congratulations!

## TAMDC Satellite Turkey Hunt

Nine Lone Star members made the drive to Canton, TX for the TAMDC Turkey Hunt November 19. The prizes were abundant and everyone won one or more significant prizes. President Michael Heim took a picture of everyone and posted it on the TAMDC Facebook page. Here is a copy below:

Michael held a TAMDC meeting after the hunt. Besides discussing future satellite hunts and the venue for the Treasure Show next spring, he also mentioned that the TAMDC Facebook page is becoming their primary means of communication. It is updated nearly daily, whereas their website is updated less frequently. If you want the most current news, you should check out their page here: <https://www.facebook.com/TAMDC2012>

Note that this is a public page, meaning that anyone can go and read the posts. You don't have to have an account with Facebook to read posts.

### **Club Facebook Group Page**

Our new for-members-only Lone Star group page on Facebook is seeing lots of activity as people post pictures of their latest finds and others add comments or questions. We're up to 32 members now. Here's the address:

**Detector Repair Service** – If you have a broken detector, or one that just needs a part or an adjustment, Keith Wills is the person to see. See his website: [www.brokendetector.com](http://www.brokendetector.com) . Keith has many years' experience selling and repairing detectors. He writes: "We still repair all brands of detectors made here in the US and all the closed manufacturers from years past except for Minelab".
