PREZ SAYS

I hope everyone is doing well and finding treasure this month. There are a number of people that will be gone to the Garrett hunt on the 31st, so the meeting has been cancelled. Please plan to be at the meeting on April 28, as we may have some important announcements. Please try to involve new people into our great club. Keep hunting, and I will see a lot of you at the Garrett hunt.

Bill

Our March 3 Speaker: Chuck Howell

Chuck demonstrated his research in using geological software to overlay historical aerial photos over Google Earth maps to accurately locate historical sites. He showed how he had located the precise location of a 1930's Hilltop Stables Racetrack developed on the Moss Farm. The farm is now Moss Park and is open to metal detecting. Chuck proposed that our Saturday Fun Hunt be held at this location.

- ◆ Congrats to Wesley Clark and Shawn Kelly for having their top finds listed in the Western & Eastern Treasures April 2017 Annual “Best Finds” Issue! Wesley’s was an 1889-O Morgan dollar, and Shawn’s was a Masonic silver shekel.
- ◆ And congrats again to Shawn for his picture on the two page center fold ad for the Garrett Ace 300 and Ace 400.
- ◆ If you haven’t yet joined our private Group page on Facebook, you are missing out seeing many pictures of great finds each week. Only a fraction of Finds make it onto our FOM boards each month. We have had two of our dedicated helps pass away last year, they will be very hard to replace; please come if you can.
