PREZ SAYS

Well, if you missed the Spring Hunt, you missed the fun! We all hunted for dimes in great weather. There were great door prizes, and we also had a nice fundraiser. This meeting should be good. Rusty Curry will be telling us about the new Garrett detector. Next month we will have our Barbeque so we will discuss that at the meeting. See you there.

Bill

Member news

We are proud of our LSTHC members who volunteered to help Canton tornado victims find their lost valuables. Juan and Vicki responded to one request to help a family on May 7. Vicki found her very first coin cache that day. Janet, Sherrie and Ellen responded to the Facebook request below and hunted the Hall property on May 14. They found large numbers of coins, hunting and fishing gear, jewelry, toys, belt buckles, and even a token or two from earlier times---but sadly, not the prized wedding ring set we hoped to recover!

As always we can use any help with foreign coins for the kids and anyone willing to go with us to help for the two days. We have had two of our dedicated helps pass away last year, they will be very hard to replace; please come if you can. The kids are always so excited to have us come a couple of days every summer, there is nothing on this earth that will replace the big smiles on those kids faces when we are there!”*
