PREZ SAYS

I have heard that some are not hunting because it is too hot. You are right!!!! Stay hydrated if you hunt. We will have Jack Ellett as our speaker next meeting. He will give details on how to adjust your detector to avoid pull tabs. He talked about it before. Those of you who missed the barbecue missed a great meal, fellowship, and a great fund raiser. BTW, Ivan Santos may be barred from the club for winning four times. See you at the meeting.

Bill

Speaker of the Month: Jack Ellett

Topic: Adjusting your detector to find gold/avoid pull tabs

Mark your calendar for these future club meeting dates:

- August 25
- September 29
- October 27
- December 1

Member News

Congratulations to Earl Hitt who found the watch of a young accident victim. The father of the young girl asked Earl to help find the inscribed keepsake. Earl was able to locate it on the third outing to the site. See Earl's picture on our Facebook Group page above. Janet Hall also participated in the hunt the day the watch was found.

Congratulations to Ellen Jackson for her picture in the Times of Israel news article on Shiloh. Ellen participated on the summer archaeological dig as their metal detectorist. <http://www.timesofisrael.com/with-bibles-and-shovels-a-search-for-the-biblical-tabernacle-gathers-pace-at-shiloh/>

Inspiring Detecting Story

Read Nathan Wright's story in the Featured Hunter section of the TAMDC website: <http://www.tamdc.org/Featured-Story.html>. Nathan found a set of gold wedding rings for a couple who lost their home in the Canton tornado.
