Paul Wilson

We had a great take off meeting with lots of changes (the raffle, fun hunts, find of the year monthly caches) and additional opportunities to serve the club and reap the benefits Again the sign up sheets will be out so you won't miss out on the committee member hunt in the spring.

Our club fun hunt at Senter park was damp but we had a good turn out and 2 new members told me they learned a lot, from recovery digging and covering to pin pointing. We do need more members to offer up their services to teach the new comers and you will feel a great deal of accomplishment at the end of the day. We all had to have a little help in the beginning.

Having been a treasure hunter since the age of 14, Nugget Noggin pushes the limits in exploring his true passion for metal detecting and gold prospecting.
