President's Corner

Paul Wilson

I would like to thank Kevon for the great job he did standing in for me last month. From the emails I've gotten we had a good meeting. I'm sorry I missed Rose Mary Rumbley She always is spell binding And we Thank her for being our first speaker after the drought of Roni The board at this time has decided to keep going with our meetings through Christmas which means (because we are not giving out any awards) there will be no party. However I do have a good speaker lined up for that December meeting. I know this is early to start thinking that far ahead but I been getting speakers and the Christmas party came up on what can or should we do. At this point stay cautious the Roni virus isn't gone just mutating. Last but Important If you are kind enough to bring snacks they must be individually wrapped. Lets keep as clean on this as possible until we get the all clear on RONI.No open packages like cookies ect.Thanks

Announcement

Our speaker will be Bill Covington a gifted historian and Illuminating speaker who will be speaking on the revolutionary site of Fort Laurens This one also is a no miss meeting

I do have a favor to ask. If 2 members could step up and take on bringing the drink coolers I know Kevin would be forever grateful. One is Water the other Drinks. The club will reimburse the expense Thanks again.
