## **President's Corner**

Paul Wilson

What a real treat with Bill Covington's talk on the history and the dig at Fort St Laurens. He really puts on a show and we all enjoyed the articles he brought from that period and his costume of the early 1800 s. This month I've gotten one if not the only founding member still in the club Frank Lawson to come and share some memories of how this whole thing got started. This should let you know how hard it is to carry on and try to improve a club through decades of world change and members. Things don't just happen it takes work and time to pull off good hunts, good speakers, fund raisers and try to please most everyone's wants and needs. That is why we have been around so long and have such a strong membership that's willing to help when asked. It's your club and it shows. Thanks Again for volunteering when asked.

## Announcements

### Message from the Officers:

Life changed for all of us beginning in March of 2020. Fear of gathering with others caused many to seclude themselves in their homes. We feared that it could cause loss of interest or collapse of the Club. A decision was made to continue our outdoor activities such as our Spring Hunts and a Fall Hunt in hopes of keeping us together.

We recognize the mainstay members who attend meetings, participate in our fund raisers, and just do what they can. They are our heart and soul. Sure, work and family do not always allow the luxury of participation as you would like, and some are still a little fearful of indoor gatherings, which we understand.

Our 46<sup>th</sup> Annual Open Hunt is on October 16, 2021 at Lake Halbert in Corsicana, TX. Our Annual Open Hunt Fundraisers contribute to our ability to have Spring Hunts and operate Club activities throughout the year. We usually raise funds with the Cake Auction, Detector Raffle, Gold/Silver Raffle, and the Fundraiser Hunt. We do need cakes, pies, cookies, brownies, or such for the auction. Prizes will be detectors and gold coins. Yes, the cakes will sell for over \$150 each. Not all are able or willing to spend that kind of money. That is why we sell tickets in the Detector Raffle and the Gold/Silver Raffle.

We need our members to support our Club. You do not have to do everything, but you need to do something. If you do not support our Club, there may be no Spring Hunt for you.

Committee members have been in discussion regarding the strength and weaknesses of our Club. A challenge lies ahead.
