Our speaker this month will be Bob Rigdon. He will share some stories on bottle dump hunting along with tips on how to research, dig, sift and what kind of finds to look for.

Club Business: Just a reminder- If you have not already paid them, your DUES need to be paid now. Have you wanted to help out with the club but not sure how? Consider donating a raffle prize or a silver item for our caches. Or try serving on a committee or volunteer to help out with events. Ask us for more information!

We will be serving hot dogs so please use the tongs for dogs and buns. If you would like to bring something, please make sure they are a single serving item.

From the desk of Treasurer Robert Jordan

Necessity Hunt – March 19th

Recap by Bob Rigdon

When we arrived, it was only 37 degrees but it warmed up very rapidly. What really helped our members with their recoveries was the action of our host, Mr. Jerry Jensen. He informed me back in December 2021 that he had cut several wide paths and removed a lot of ground cover and vegetation. In doing so, he opened up more ground that could be searched and the number of artifacts recovered was a direct result of his actions. It was however touch & go of the trip being cancelled due to the raging fires just 25 miles away. We lucked out and had a great time.
