With all of the recent water, we thought it would be prudent to discuss water metal detecting. We just happen to have someone who has quite a bit of expertise in that area. If you ever had the notion that **Jack Lowry** was "all wet," well here is your chance to see how he got that way. Jack will be speaking on equipment and techniques you can use to hit the swimming hole near you.

Have any of you noticed that our club seems to be shrinking or that there are fewer people at events, meetings, etc? Well we have too, and we are wondering why that has happened. The Executive Committee decided the best thing to do is just ask. So later, on page 5 in the newsletter, you will find a brief questionnaire. Here is your chance to tell us what you think, and please do not worry about offending anyone! I have always felt that an unvarnished opinion is the best. So tell us what you think. For taking the time to give us a piece of your mind; we're going to give you a free raffle ticket! That's kind of an incentive to be there too. Don't worry if you do not get your newsletter in time or it gets eaten by the Post Office monster. We will have blank questionnaires at the meeting. Also, if you cannot attend the meeting, but would like to respond to the questionnaire, you can email me your responses. Maybe with your help we can turn this trend around, and make the best treasure club in Texas even better! Hope to see you there!

AS ALWAYS, GOOD HUNTING!

Talk is cheap. Because the supply exceeds the demand.

The Cat Box

by Catherine Finnell

Hello again friends! This month we celebrate Father's Day on June 17th! Dads are just as important as mothers, but they don't get the same level of notoriety as mom's do on Mother's Day. My dad just turned 80 in May. He is still very active, and sometimes I even have to remind him to take it easy.

Of course, he never does take it easy. I guess that's where I got my stubborn streak! So please take time to tell your Dad you love him, and thank him for all he has done. Oh, and dad really doesn't **need** all those socks and ties, you know? Dinner at Outback Steakhouse would be a **lot** better.

Also, Flag Day is on June 14th so raise those Stars and Stripes in honor of your nation, and the freedoms we enjoy in this nation.

I have a special announcement in the reminders and announcements section of this newsletter about one of our lifetime members, **Bill Robinette**. Please take the time to check that out, and send Bill and his family your well wishes.

**Until next month hunt safe,
hunt happy.**

Announcements and Reminders

SNACK REMINDER

Tom Bush, Bill Austin, Alice Branger, and Mike Skinner have agreed to bring snacks to the meeting June 1st. Thank you for your contribution to the club.

The meeting date is June 1st, at 7:30 p.m., at the IOOF lodge. It will be business as usual with raffles, and find of the month entries.

The fun hunt will be held on June 2nd. The time and location will be announced at the club meeting. Come join us for fun, practice, and camaraderie.

We received an email from Judy Robinette Foster concerning her father, **Bill Robinette**. Many of you may know **Bill and Katherine Robinette** very well as they are lifetime members of the LSTHC. Bill has been diagnosed with esophageal cancer, and according to Judy he isn't doing well. If anyone would like to send an email or personal note to Bill, that is fine. Judy reads them to him every couple of days. If you would like to mail him a card, that is fine also. Here is his email and snail mail address in case you don't have it handy.

Email Bill at Judydrf@netzero.net and mail to:

Bill Robinette, 6001 Sandlin Avenue Texarkana, TX. 75503.

We need volunteers to make cakes and donate prizes for the October annual club hunt. The sooner you can let us know you are going to participate, the better it is for the club. Please show **your** club spirit, and sign up to support LSTH club's annual hunt! The sign-up sheet will be at the main table at each club meeting.

Due to a conflict in her schedule, **Elizabeth Wesson** will no longer be able to participate in the Find of the Month position. **Mike Skinner and Joe Hennig** will be filling the position of Find of the Month Committee Members.
