Hello to all. Hope you enjoyed the BBQ with our friends. We missed some familiar faces. It seems like Robert Jeffries took Rick's place as the big winner in the fund raiser.

This month brings some big changes. A new meeting date, the last Friday of the month. A new meeting site, the Irving Garden & Arts Center located at 906 Senter Road.

The new site is ONE BLOCK from our old location. We will have plenty of parking and more space. We feel you will enjoy the new digs.

Our 35th Annual Open Hunt is nearly upon us. The Hunt will be at The Mountain Creek Preserve in Irving. Each year we ask for donations to help make it a success and this year is no different. We have three areas to donate to: a token prize, a dollar in silver or other for the fund raiser, or a cake with a prize attached. My last conversation with Rechey placed silver at 10 times face value for those who wish to pay their entry with silver. Please come to the next meeting with your donations and entry fee.

I love the rain; it has lowered the temperature and softened the ground. Silver has been popping out of the ground for me; think I will take a sick day just because. It has been a long stretch between meetings; see you in the new place. Remember to leave the deep ones for me.

July Meeting

We had a great turnout for the barbecue with the Golden Triangle Club. As usual, the food was delicious, but there was way too much! People were taking their leftovers home, plus whatever else they were talked into taking.

As usual, Robert had great coins for the raffle. It seemed like some tables were luckier than others. I think those of you who sat up front had the good luck.

Since it was not a regular meeting, we don't have finds of the month or door prize winners. See the list of raffle winners on the next page.
