## President's Corner

Hello to all. What do you think about that rain invading our days? What a strange end of summer. I know it is fall as leaves are turning. Why do I still have so much yard work?

Did you enjoy the Hunt? There was water standing, yet we managed not to track mud. Think about how it would have been caked to your feet at Glenn Heights. We did get lucky with a couple days of sunshine when we needed it most. We have booked that pavilion and will use that park next year. If it doesn't rain as much then we will have a much larger space to take advantage of.

Sorry about the Ranch Hunt being postponed. Steve tells me we will go to the Cherokee-Ranger battlefield the second or third Saturday in November. I hope to have that firm date in time for the meeting. We know that area has produced musket balls.

At the meeting we will make final decisions regarding the Christmas Party. It will be on the first Friday of December at the same location as last year. We will have the Gift Exchange. I urge all members to attend.

The next meeting will be the last regular meeting of the year. There will be no meeting the last week of November since the Christmas Party is the first Friday of December.

Hope to see you Friday. Good luck out there hunting and remember to leave the deep ones for me.

We had a great turnout for the September meeting. Dave talked about competition hunting. We even had a new family join. Be sure to welcome the Jett family at the next meeting.
